ΕΙΣ ΤΗΝ ΠΟΛΙΝ ΤΗΣ ΒΕΡΟΥΣΣΑΣ

A portrait of a man, Prince Svyatoslav Stupka, standing in a rocky, hilly landscape. He is wearing a dark blue coat and a bow tie, holding a long stick or cane. The painting is framed by an ornate gold border. In the bottom right corner, there is handwritten text in Russian.

Принц Святослав Ступка!
Есть постань разъ передо мной
Ты катились вани Голубе, а
И вани Голубе, а Красой.
